### Observations

**DID YOU FIND THIS WEEKLY**  
spurge last week? Or did you try it was shoved to the back page, first section, and really should have been on the last page that was NOT printed.

**YE OLD ONE DIDN'T FEEL**  
hurt because of the back page location, but he was up in the clouds and laying brick any way. Haven't received my pay check from contractor J. Ham Starks yet, but expect it Saturday at noon. Bricklayers don't work Saturday afternoons—only bosses work 6 and 7 days a week these days.

**SOMEBODY REPORTED THAT**  
G. O. (Whippoorwill) Pace was having trouble with his popcorn patch. Somebody was wetting it too much—much too much water in and around Rockhouse creek. Whippoorwills have had to move nesting places to old Wadesboro, a place known to be dry at certain seasons of the year.

**IN SPITE OF THE RAIN**  
during the past few months we notice quite a few healthy looking cornfields. Out on the farms of J. D. and L. C. Stahl and in the vicinity of the Will Egner home and around Palma one can see some real nice, black growing corn. Farmers down there must be paying the preacher—or some thing.

**NOT SO LONG AGO IN NEW**  
York, folks were paying the rainmakers to make rain. If anyone know how to stop it? Do so, get G. O. at Hardin on Lazy Acres farm in the vicinity of Rock House creek, about a mile Northeast of Dexter in Calloway county, highways 68 and 98, under a shade tree sitting on the fence holding popcorn or watching whippoorwills.

**SOME DAY I HOPE TO VISIT**  
Lazy Acres and see just how cool it is under that Mayapple tree. Believe it or not, we have a Lazy Acres (not acres), right here in Benton. If this 1 acre is any lazier than the one down on Rock House creek, no wonder it rains so much. It isn't hard to tell how lazy our 1 acre is. Bill Watkins, of Olive, wished one day it was near his whippoorwill patch. Bill tried out the grass here several days ago and it took a sharp sick to keep him awake.

**SOME OF OUR NEARBY TOWNS**  
are all agog and a-jitter over the latest census reports. Many, like most of us, thought they were bigger than 10 years ago. Some of our own people estimated the total population of the county as high as 22,000, and some believed Benton would show a population of 3,000 or over. The truth is, we are about where we were 20 years ago—that is, our county population is not very far from the 1930 figure. Wonder if we shouldn't be glad we have gained a little.

**TEN YEARS AGO WE HAD**  
hundreds of TVA folks in the county and factory work in the gone today. We also lost citizens from Birmingham and Gilbertsville since the 1940 census was taken. So, taking our numerous losses into consideration due to these factors, we have not done so bad after all—we have about "held our own," and from the city of Benton's record over 20 years.

## Option Violators Will Be City Business Licenses

**CALVERT CITY WOMAN'S CLUB TO MEET FRIDAY**  
WITH MRS. M. DRAFFEN  
The Calvert City Woman's club will meet Friday, July 7, at 2:00 P. M., at the home of Mrs. Mert Draffen. It was announced today, Mrs. Jack Ray and Mrs. John Thompson will be co-hostesses.

## PADUCAH HURT IN CAR-TRUCK CRASH NEAR HARDIN

Charles T. Edwards, 30, of Paducah, was in critical condition at Riverside Hospital, Paducah, today from injuries suffered Wednesday in an automobile truck collision about a half-mile north of Hardin on Kentucky 95.

Riverside Hospital attendants said Mr. Edwards' sufferer possible skull fracture, chest injuries and a compound fracture of the right leg.

Kentucky State Trooper James Brien said the Edwards automobile and a Nehi Bottling Company truck, driven by Ted Lee York, 21, of Paducah Route 4, collided on the highway about 4:45 o'clock Wednesday afternoon.

Trooper Brien said York attempted to pass a truck which was parked on the highway and collided head-on with the automobile driven by Mr. Edwards.

The collision occurred on a hill and curve on the highway, he said.

Truitt Rushing, Paducah R. 3, a passenger in the truck, suffered a knee injury, according to Riverside Hospital reports.

Mr. Edwards' general contractor in Paducah, was traveling south toward Hardin and Mr. York was going toward Benton.

The Edwards automobile was demolished.

## 13 From County Are On Murray State Honor Roll

Two hundred and ninety-four students were named on the honor roll at Murray State college for work done during the spring semester ended this month. Of this number 13 were from Marshall County.

Those from this county on the Murray honor roll are: Benton; Billy Adams, Marina L. Chambers, Jasper M. Cathrin, Anderson J. Downs, Charles L. Larimer, Dixie H. Morgan, Nancy M. Reed, Joe M. Siris, Woody J. Stovall, and Allene Tucker.

Marlyn Chester, Brewster, Florence C. McIntosh and Allen M. Wallace, of Calvert City.

Harlie Taylor, of Route 2, was in town Saturday on business.

ago, a big increase has been recorded. We should accept the 1950 census "as is," then begin...

## TO THINK ABOUT THE NEXT

10 years when another census will be taken. If we do not begin to act now and try to get something for our people to do they will continue to go to other towns. We need some good factory that will work men. If the men have jobs the women and children will stay here also. And we need concerns that will come exploiting labor, seeking cheap power, free taxes and all that we have to offer, and not invest money in our community. We do have concerns in this county that have shown faith and a willingness to become a real citizen by buying outright valuable property and investing millions in other ways. It is a pretty sure fact that such concerns will be with us for a long time to come.

## LET'S SEEK OUT AND FIND

industries that will employ men and concerns that show that they want to become a part of this county by owning property, paying taxes, just as any other citizen does—Then we can begin to figure out what kind of census report we will make 10 years from now. We should also realize our opportunities. We are not going to catch the rich vacationist—he is going to Bermuda or travel abroad. We are going to get Mr. Middle Man, and now is a good time to begin re-aligning this fact on this score-board, outlining out to industry that we offer the middle man reformation and contentment, plus what any other community may offer.

Had you noticed that none of our out-of-county cigar factory employees were anxious to leave our county? Does that mean anything as a future guide for seeking other industries to locate here. Who was it that did want to leave—and why?

## Huge Crowd Is At Birmingham Homecoming

### LUTHER T. GOHEEN GIVES PRINCIPAL ADDRESS JUST BEFORE NOON HOUR

A large crowd of former residents of the Birmingham community, visitors, and friends attended the fourth annual event at Birmingham Park Sunday and listened to a program that had been arranged by the committee in charge. Luther T. Goheen, a former Birmingham resident, now superintendent of the Masonic Orphans' Home, Louisville, gave an interesting and inspiring address as the guest speaker for the occasion.

Starting at 10:00 A. M., the business session was held, which was presided over by President of the Birmingham Association, Mr. Clifton Cox, A. L. (Chick) Love, State Representative was Master of ceremonies. Secretary Harold Holland read the minutes of the 1949 meeting and Treasurer, L. L. Washburn made a financial report.

The election of officers was held and all of the old officers were re-elected, which include, Clifton Cox, president; Ed Fields, Vice-president; Harold Holland, secretary; L. L. Washburn, treasurer.

The assembly voted to name three more vice-presidents and William Heath, Luther Hill, and Mark Clayton were chosen.

A committee was also named to locate and invite former Birmingham residents to next year's meeting.

Mr. Goheen was introduced by A. L. Love. He spoke for about 30 minutes on current events in the world, pointing out that with war clouds again hovering over our land it was a good time now to begin thinking more of brotherly love and respect for fellowman. Mr. Goheen said, "It is a shame upon our nation that so many of our religious institutions were fighting each other instead of teaching more unity and brotherly respect."

During his speech he briefly reviewed many of the unusual happenings in and around old Birmingham.

Others who made brief talks included, Circuit Judge Holland G. Bryan, Leonard Hill, of Los Angeles, Calif., Phony Heath, M. G. Little, of the TVA, and others, who expressed appreciation and happiness in being able to attend the picnic.

The assembly voted to continue holding the Homecoming on the 1st Sunday in July. It had been proposed to change the date to the first Sunday before Labor Day.

Mrs. Panny Rogers presented a poem near the conclusion of the meeting at 2:00 P. M., which was concluded at that time due to the fatigue of Mrs. Phony Heath.

## RUDELL NORMAN IS SEVERELY BURNED BY LIVE POWER LINE

Rudell Norman, 31, of Benton Route 2, was badly burned early Monday morning when he touched a high-voltage electric wire stretched across Highway 146 near Vienna, Ill.

He was given first aid at a Vienna hospital in Paducah where his condition was listed as fair.

Mr. Norman suffered char burns on both legs, both arms and both hands.

He was employed at the Joyce Construction Company, and was clearing the highway of the low hanging wires. Mr. Norman was working from a boom on a trailer when he touched the wires. He apparently thought they were telephone wires.

Mrs. Louise Blackwell, Misses Dorothy, Lenora and Mattie Lou Freeman, of the Oak Level community, were Saturday shopping visitors in Benton.

Jack Harr, of Detroit, was in Benton this week on business.

### THE JUDGE WAS SO "FULL" HE DIDN'T SPEAK VERY LONG

Circuit Judge Holland G. Bryan, of Paducah and Marshall County was at the Birmingham Homecoming Sunday, and a Courier reporter noticed that he was "so full" that he didn't speak very long. We mean full of fried chicken, country ham, sour pickles, and sweet cakes and pies. Who wasn't FULL around 1:00 P. M., with all that good food. Ye reporter was full too, and we have work ahead.

The long tables at the picnic were not long enough to hold all array of food. Someone wanted a part of it cleared away.

We'll vouch to the fact that Judge Bryan was most obliging in helping to clear the table.

## SCHOOL BOARD MEETING IS HELD PAST SATURDAY

### TEACHERS ARE NAMED FOR COMING YEAR WITH VACANCIES REMAINING

A meeting of the Marshall County Board of Education was held in the office of the superintendent Holland Rose for the purpose of naming teachers for the coming year.

Although many of them have been named, some vacancies yet remain. Any qualified teachers in this county, or elsewhere desiring to teach, should contact the superintendent for teaching positions.

Teachers named at the meeting are: Eula Crowell, Elva; Blanche Trimble, Olive; Jolette Ross, Unity; Joe B. Howard and Mrs. Wm. Knight, Gilbertsville; Loveta Collier, Sanders Ridge; Alpha Stice, Charlotte Owens and Mrs. W. L. Wright, Calvert City; William Smith and Rebecca O'Dell, Sharpe; Mae Ferguson, Palma; Verna Petway, Fair dealing.

The three teaching positions in the county without teachers will be filled by qualified teachers as soon as it is possible.

## SGT. ELTON A. ODOM DROWNS IN KY. LAKE SUNDAY AFTERNOON

### LOUISIANA YOUTH WAS STATIONED AT CAMP CAMPELL, KENTUCKY

Sgt. Elton A. Odom, 25, was drowned in Kentucky Lake Sunday afternoon a short distance off shore from the bath house at Kentucky Lake state park.

Sgt. Odom, who was stationed at Camp Campbell, was from Haynesville, La.

According to reports here, the victim and another soldier companion were trying out a speed boat when it capsized, throwing Odom into water that was 20 to 30 feet deep. The craft was said to have been a light 12-foot speedboat and equipped with a 12 horsepower motor.

The body was recovered Monday after many hours of dragging the water. Military men from Camp Campbell and a rescue squad from Murray assisted in the search. The body was found near where the boat capsized.

The body was returned to Camp Campbell before shipping to his home for burial. Mrs. Odom, a bride of three weeks, was on the bank of the Lake while the two men went for a pleasure ride.

## 48,000 Visitors Visit Kentucky Dam Area Over July 4th Holiday

Kentucky Lake, as usual, was center of activity for west Kentucky's Fourth of July celebration.

Although rain threatened or fell throughout the day, picnickers swarmed over Kentucky Dam State Park and Kentucky Lake State Park and congested fishing spots on and around the lake.

An estimated 48,000 persons visited the Kentucky Dam area Saturday, Sunday, Monday and

## Tax Assessments For 1950 Will Be Same As '49

### ROB EARL LOVE ATTENDS HOMECOMING SUNDAY AT BIRMINGHAM PARK SITE

Rob Earl Love, wife and his mother, Mrs. Ida Love of Guthrie, Ky., and former residents of Birmingham, attended the Picnic and Homecoming at Birmingham Sunday.

Rob Love and his brother, Jim Love, were injured several weeks ago in a dynamite blast that almost took the lives of both.

Jim Love was not able to attend due to a fractured hip. He will be confined to his room for several weeks yet. Rob Earl lost the sight of one eye and was seriously injured in the other, but Doctors have hopes of saving his other eye. He suffered other injuries.

## PHYSICAL EXAMS ARE NECESSARY FOR NEW SCHOOL PUPILS

All Marshall county schools will begin Monday August 28, one week later than the previous year, in order for everyone to attend the Marshall County Fair.

A physical examination is necessary for each child before entering school. These will be given free of charge by the Marshall County Health Board at the office on Wednesday afternoons between one and four o'clock. Any school desiring a pre-school health clinic, should contact Health officer for a date. If your own physician makes the examinations, the health certificate can be mailed to the local health department.

## INJURIES OF LENTS GIRL REPORTED NOT TO BE VERY SERIOUS

The six-year old daughter of Mr. and Mrs. Buster Lents, of Route 1, near here, was reported "not too seriously injured" by a Murray hospital physician, according to Sheriff Volney A. Brien, who investigated the accident shortly after it occurred Wednesday.

Sheriff Brien stated that an auto driven by Cecil Leo Pace, of Hazel, Ky., was wrecked in an attempt to avoid hitting the little girl who was standing on the highway and suddenly attempted to cross.

The accident occurred Wednesday around 10:30 A. M.

## Miss Susan May Field Dies At Sharpe

Funeral services for Mrs. Susan Mae Fields 85 years of age, who died Sunday July 2nd, at her home at Sharpe, were conducted Monday afternoon, the Revs. Lake, Riley and Lee Gunter officiating. Burial by the Filbeck-Cann Funeral Home, was made in the Fooks cemetery.

She was a member of the Sharpe Church of Christ. She is survived by two sons, Dewey Phillips, of Detroit, Mich. Louie Phelps, of Route 6, two step sons, Arnold and Guy Phelps of Route 5, one step-daughter, Mrs. Eunice Phelps, Hickory Ky., two grandchildren, Lola Mae and Louie Phelps, of Sharpe.

## PICNIC FOR HARDIN HOMEMAKERS TO BE HELD JULY 19 ON KY. LAKE

The Hardin Homemakers club members met Friday, June 23, and made aluminum trays. The election of officers was held and the following selected:

Mrs. R. M. Gardner, president; Mrs. Joe Dunn, vice-president; Mrs. Roy Clark, recreation leader; Mrs. W. H. Inman, secretary; Mrs. Kate Gardner and Mrs. J. H. Hardin, clothing leaders.

Two new members, Mrs. J. H. Hardin and Mrs. Joe Gore were enrolled.

The picnic for members and families is to be held July 19, on Kentucky Lake.

Mrs. Lela Thompson, Headley Thompson and son, Harold Paul, of Route 2, were visitors in Benton Saturday. Paul was nursing an injured hand having cut it on barb wire.

For the first time in the memory of most Marshall countians, there will be no assessment of property for state or county taxes as of July 1.

In fact, there will be no assessment at all made this year. The next assessment will be made on January 1, 1951.

The tax bills you pay this fall will be based on the assessment made on July 1, 1949.

Reason for the change is to bring the date of assessment closer to the date of payment of taxes. This will make it easier for the taxpayer to know how much tax he is paying for what year. From now on, taxes will be paid in the same year they are assessed. Also there will be less confusion over payment of taxes where property is bought or sold.

In many respects, the new assessment date will be more convenient for the taxpayer, since it comes at the usual inventory and bookkeeping date. This is in accord with the trend in other states.

While the tax commissioners will not be busy taking the assessment this year, they will use the time to prepare property record cards and gather information to help in making a more accurate and fair assessment next year.

## R. Boyd Fields Dies At Briensburg

**FUNERAL SERVICES HELD  
AT FILBECK CHAPEL  
TODAY (THURSDAY) P. M.**

Funeral services for Robert Boyd Fields, 75 years of age, who died at his home in Briensburg Tuesday night were held today at the Filbeck chapel at 2:00 P. M., by the Rev. J. J. Cough. Burial was made in the Briensburg cemetery. He was a member of the Briensburg Church of Christ.

Fields was found dead in his bed by members of his family. He had been in ill health for several years but his death was unexpected.

Burial was made in the Briensburg cemetery.

He is survived by one sister, Mrs. George L. Wyatt, of Route 4; two brothers, Rollie and Gene Fields, of Briensburg.

The Hardin Homemakers club members met Friday, June 23, and made aluminum trays. The election of officers was held and the following selected:

Mrs. R. M. Gardner, president; Mrs. Joe Dunn, vice-president; Mrs. Roy Clark, recreation leader; Mrs. W. H. Inman, secretary; Mrs. Kate Gardner and Mrs. J. H. Hardin, clothing leaders.

Two new members, Mrs. J. H. Hardin and Mrs. Joe Gore were enrolled.

### Looking At Life

The hit tunes of today is "Old Blue Eyes." To the teen-agers it doesn't mean anything, but to the older folks it brings back a lot of memories of days there was no "player" piano music going around. The first World War and the "player" pianos were quite popular. It looked for awhile like some elevator had hit the jackpot. It was a piano that anybody could play. And nobody would say you didn't even have to bother with easy lessons. All you had to do was turn on the switch. Out came the music of the day as "Lazy Mississippian," "Wang Blues" or "Darden" where there were no musical "player" pianos filled a great course, the music was "canned." These days there was no Petrillo to tell what they could or could not play. The smaller moving picture and "Player" pianos. Who can go through his dizzy antics of the "player" piano. Or the silent films. Or two-run Hart upholding the law in the woolly west. Incidentally, Hart and guitar strumming cowboys in hot-house Henrys.

### Conservation Notes By Herbert Anderson

the levee and the water line. L. J. Cloud, operator of the Lela Cloud far meat of Palma said, "This hill-side should be set in trees because erosion has removed so much soil that it would cost too much to try to make anything else grow." I was talking with him about a complete soil and water conservation plan for the farm. L. S. Fooks, north of Sharpe, has land that was cultivated too much before it got without any protection from erosion. After the land became so poor it would not make profitable yields, it was left to lie idle and grow up. Now Fooks says, "I plan to clean up a little of it each year, apply lime and a heavy application of fertilizer and sow it down for pasture." "This bottom land is drier than it has ever been at this time of year," said Lowell Bradley, Palma. The reason a diversion ditch keeps hill water from running down on it.

## Outdoor Togs Faded? Dye-Bath Is Answer

You can easily get another season's wear from sun-faded shorts, slacks, blouses and other outdoor wearables. A few dime boxes of all-fabric dye, available in 50 colors, will do the trick. If the fabric has faded unevenly or if you want an entirely different color, use fast-acting color remover first, advises Tintex Home Economics Bureau. Your washing machine is ideal for tinting, especially larger articles, such as slacks and dresses, the bureau points out.

## Route 5 Scribe Reports Big Time Had By Ail At Br'ham Homecoming

Everyone is enjoying themselves very well but all are still hoping for a good rain to cool the weather for awhile.

There was a large crowd attending the Birmingham Homecoming July 2nd. All seemed to have a real nice time and everyone as glad to see our good old friends, Chick Love, Luther Goheen and the Love boy who was so badly injured recently. Rob Earl. Many friends see and meet each other on this day who do not see each other any other time. One of our good friends, Mrs. Lydia Travis, how glad she was to see everyone, how glad everyone was to see her.

Mr. and Mrs. Kenneth Siris were honored with a household shower last Friday night. Those attending were:

Fishing reports have improved a little since last week according to scattered reports from the Lake area. Due to rising water in the Ohio and the backing up of the Tennessee below the Dam, fishing there has not been so good as the past week. This includes sug-fishing and fishing for game fish.

From the Lake area around Sled Creek and as far up as Jonathan Creek scattered reports tell of a few catches of nice size bass, however other reports tell of recent rains causing murky water at points where creeks enter the Lake.

Some anglers had hopes that

during the next week or two fishing would be much better, but if the water fails to clear up no big changes are in prospect.

What has become of the supply has the best anglers puzzled. Some say one thing and some offer other reasons. One angler thinks most of the game fish passed through the Dam during the high water period last winter. Others believe that something is destroying the fish eggs, and others think the Lake has been fished dry. One person said the same thing has happened in other Lakes of the TVA chain, and that fishing may never be as good as it was the first year or two after the impoundment of the water.

One thing is sure, and that is, that it has everyone puzzled. It is reported that the Fish and Game Commission is making a study and will make tests in an effort to find out the cause.

A visitor from Texas who failed on his first trip here said: "Fishermen are the biggest derks in the world, and if they

fail at first, most of them keep on trying." A Courier reporter had questioned him about loss of future tourist business when we have had years like this and last year.

One man said: The fellow who failed in May to land the big one, will probably be back next Fall after it again."

Local anglers seem to be no different—they keep going back and hoping to hit the jackpot.

Fish and whale tales are again scarce for the week. Rain and muddy water in and around the Lake, together with rising water below the Dam, has taken the "try" out of local anglers.

But, a few reports trickle in that happened during the latter part of the past week. Jimmy Emerine, of the Angle Court, at Aurora was reported to have landed "5 or 6" big mouths in and around his domain there.

Roy Emerine reports landing old grand dad in a striped bass the Dam before backwater started moving in. Roy got two more smaller ones.

Grady Ridings was supposed to have tried 'em out Saturday from Maple Springs to Big Bear Creek and back to Jonathan Creek. He was also supposed to have had the Courier force send a truck after his catch. But, no orders came through and we haven't heard from Grady yet. We hope some whale didn't Jonah him.

Mrs. Milton Boyd sends in a note about Mrs. Doyle Holt, of Paducah, who landed 6 big mouth bass last week from the Lake in the Sled Creek area. Her amateur husband was busy landing 4 nice shad, a tree toad, and a wasp nest. Mrs. Doyle's bass weighed 3 to 5 pounds each.

Game fishing and slug fishing below the Dam was reported below par, due to high water caused from a rising Ohio and backwaters below the Dam.

There is a brand new full moon (said to be a good fishing time), so, if you can find a clear spot in the Lake it may be a good time to try—or if you fish in or by the moon, everything (except the water) is favorable.

## School Class Of

Hayden Church, Benton, by Prof. Dodds, principle of the Benton High School. We thank him this help for the class. The Class will meet at July 4, 1951, at Bowling Green, Ky. at the home of Edith, graciously invited us. Mrs. J. also invited the group but a vote placed Edith as new host. We meet in front of the Administration building, Western, and then go to Hodges' home. Let's all that be there; Agnes Gough have plenty of time to go down with her dogs from Anderson, Alaska, where she is instructor. All members spoke at the dinner served on Kentucky Lake. Jim Woodall's Jawlida Lodge his day guests, Harry and brought a bar-b-q'd sheep, the occasion, and to say we loved it is paupering the English language. Prof. Mulliken, after teaching 44 years, praised Benton as a lightened citizenry, more than when he was a visitor in Benton in 1941. Loece, Ed August, all praised highly Prof. Mulliken's work as Superintendent of Benton
